

MEINL PERCUSSION

DIGITAL STOMP BOX

The MEINL Percussion Digital Stomp Box is an easy solution for incorporating a pulse into your music. Choose between five pre-programmed percussion samples, including kick drum, cowbell, hihat, tambourine and crash cymbal - perfect for percussionists, singer/songwriters, and multi-instrumentalists. Use the USB port to import one custom sample of your own! Plug into any amp or PA with the 1/4" input and output jacks, then adjust the volume on the pedal as needed. The built-in Piezo trigger is velocity sensitive, giving you a seamless dynamic response as you tap your foot at different volumes. A non-slip bottom keeps the pedal in place and prevents vibration.

Features:

- Five Digital Pre-programmed Percussion Samples + One Custom Sample
- Add Hands-free Percussion To Your Solo Performances
- Built-in Piezo Trigger With Volume Control
- 1/4" Input And Output Jacks
- Non-slip Bottom
- DC-9V Included

Samples:

A: Kick Drum | B: Cowbell | C: Hihat
D: Tambourine | E: Crash Cymbal | F: Custom Sample

WARNING

Please keep manual after reading.

Handling

To avoid breakage, do not apply excessive force to the switches or controls.
Do not let paper, metallic, or other objects in the unit.

Care

If the exterior becomes dirty, wipe it with a clean, dry cloth. Do not use liquid cleaners such as benzene, thinner, cleaning compounds or flammable polishes. Do not take the product apart and do not try to repair it on your own. Keep the pedal in a gigbag or case for its safety. Avoid contact with liquids, and do not store the product in extremely dry or moist surroundings. Avoid exposure to either extremely hot or cold temperatures.

Disposal

Always dispose batteries properly. Do not dispose this product with other household trash. The correct way of disposal will depend on your locality. For further information, contact your appropriate local authorities.

FCC

This equipment has been tested with the FCC rules and is FCC certified. MEINL Percussion is not responsible for unauthorized equipment modifications that could violate FCC rules, and/or void product safety certifications.

Important Notice

Manufacturers and sellers are not responsible for misuse, damage or negligence in the use of this product.
